Tea Sale!

I shall put on sale the First day of August a wonderful bargain in the way of a 25 cent Japan Tea. This tea is generally sold for 40 to 50 cents. Don't buy a pound of tea until you have tried this tea, and we don't ask you to buy this until you have tried a free sample, which we will give you by asking for it. We mean strictly what we say when we claim that this is the best tea ever sold in Owosso for the money. We want you to compare this tea with the tea you get from other places—see which is the best—decide the matter yourself—don't believe everything you are told by merchant's about sales, bargains, etc. We have all grades and all kinds, and will give you the right prices on anything you may need.

The bicycle run which was to have been given tonight by the Cycle Path Club has been postponed one week on account of the absence from the city of several members of the committee in charge and the inability of the others through lack of time to attend to it. The members intend to make the run next week a big success and a most enjoyable affair. There should be at least five hundred wheels in line.

There has been great confusion throughout the state press concerning the squirrel season, the date for the opening having been generally given as September 15. This is too early. The season does not begin until October 1, and closes December 31. Subscribers who noted the warning in last week's TIMES will therefore do well to cut out this notice and paste it on their gun case. These dates are right.

The bicycle path has been completed as far as the state road and the builder, Thos. Dempsey, has returned to Battle Creek. The path is what was promised, one of the very best in the state and it is hoped that enough will be raised to put it through to Durand and then to Fenton before another season. All who ride wheels and have not contributed to the fund and do not wear a button should try the path, be convinced of its good qualities, then join the rest in helping it along.

Old Ladies' Bonnets

Many old ladies do not buy bonnets very often from the fact that they think it is almost impossible to find one that will suit or fit them, so they wear the old one from year to year.

Its our business to make old ladies' bonnets, and we can make them fit and trim them so they please you.

Our Trust Mortgage Sale has brought the prices down so low that we are selling dozens of them. Just think of buying a nice, old ladies' bonnet, trimmed with silk ribbon, lace and flowers, for 85 cents; or a fine Milan bonnet, trimmed, for \$1.98.

If you are in need of a bonnet, come and see us, before they are all sold—at the Trust Mortgage Sale.
